2024 Excellence in the Arts Award Announcement

Three (3) \$1,500 Awards

One award in each category

Art, Writing and Music

Female Students Talented in Art, Writing or Music

Must be received no later than Deadline: March 13, 2024

Greetings Instructors and/or Counselors,

We are once again pleased to offer three (3) \$1,500 monetary awards to female high school students graduating in 2024, undergraduate college students or returning college students of **any age** who are talented in **Art, Writing or Music**, and who are continuing their education at a college or university in the **fall of 2024**.

Enclosed is an application from our Santa Clara County Branch of the National League of American Pen Women. Please post and give applications to your qualified students majoring in these fields. The awards go to students residing in Santa Clara County or immediate adjacent Bay Area counties.

If you need more information or applications please feel free to contact me. Thank you for helping us help deserving, talented young women in pursuing their educational and career goals.

Sincerely,

Luanna K. Leisure
